Patti Harrington, Ed.D State Superintendent of Public Instruction Utah State Office of Education 250 East 500 South PO Box 144200 Salt Lake City, UT 84114

All programs are regionally accredited by either the Northwest Association of Schools and Colleges or the North Central Council for Accreditation of Association of Colleges and Schools. In addition all programs are either accredited by or in candidacy status with National Council for Accreditation of Teacher Education (NCATE) or Teacher Education Accrediting Commission (TEAC).

Utah colleges and universities with USOE-approved educator preparation programs are evaluated by a state team every five years. The State Board of Education approved the National Council for Accreditation of Teacher Education (NCATE) Standards for these evaluations. The format for program review is contained in the Educator Preparation Program Approval manual.
